

TUDOR FARMHOUSE AS A CONFERENCE VENUE

Meetings are conducted in the ground floor Garden Room which is conveniently located next to reception and has two rooms and our beautiful cottage garden nearby for breakout sessions.

The room comfortably accommodates 20 delegates theatre style, 15 in an open U shape or 12 in boardroom style and there is free parking on site.

Complementary WIFI, flip charts and screens are available and we'd be delighted to arrange additional equipment if required.

We can also arrange for away-day team building activities nearby including Go Ape, off roading, cookery school, shooting or fishing parties. Or you could choose an activity such as archery or clay pigeon shooting to do on-site.
