

Directions to location for your wildlife safari from the Tudor Farmhouse Hotel

Remember any binoculars and torches!

We'll meet at Bixslade Stoneworks/Forest of Dean Stone, Cannop Road by Cannop Ponds. It's around 10 - 15 drive from the hotel.

Postcode: **GL15 4JS**

It's not signposted; however, the works are on a broad bend of the road. There is a lay-by on the stoneworks side (right-hand side of the road if coming from Parkend direction) under some pine trees where you can park or down by the ponds/stoneworks itself if it is busy with cars.

My number is 0777 2342 758.

Further directions:

Driving out of Clearwell, drive right onto the B4228.

Take the next left turning onto Oakwood Rd, Sling.

Drive through Sling and turn left at the crossroads onto Parkend Walk; drive all the way down to the T-junction that joins Parkend Rd.

Turn right onto Parkend Rd and drive down all the way into Parkend and through (passing the cricket field on your right and Woodman pub on your left).

Take left hand turning onto Cannop Rd (B4234), signposted to Lower Lydbrook, and carry on for just over a mile. The building of the stoneworks suddenly becomes visible on your right as you approach a wide bend in the road.

The layby will be on the right-hand side of the road on the bend of the road. If full, take one of the two tracks down to the ponds/entrance to the stoneworks.

Look forward to meeting you and exploring the Forest of Dean for wildlife.
