Introduction

All the wines and drinks on our list have been hand picked to offer a balance of quality, value and interest. We focus where possible on small artisan winemakers where quality and innovation are key, we have included some notable names, and some home-grown award-winning wines and spirits from South West England and Wales. We will only list drinks we have tasted and liked personally and have included a short section of our current personal favourites in the "What We're Drinking" section on Page 7.

We have a selection of quality non-alcoholic wines on Page 4 and an exciting range of non-alcoholic cocktails on Page 3.

We keep our service relaxed, offering you a taste to check the condition of the wine, pour a glass for each diner and then leave it to you. Whilst most of us have a qualification in wine, we can't guarantee we know everything but will promise to either answer your questions or point you in the right direction.

We are delighted to have been awarded an AA Notable Wine List Award again for 2025/26.

We hope you enjoy drinking from the list as much as we enjoy putting it together!
