A Few Words About Our Wine List

We believe good wine should be one of life's great pleasures, enjoyed without fuss, formality or a test of your knowledge.

Our list brings together wines we genuinely love, from familiar old friends to intriguing new discoveries. You'll find celebrated names alongside small, independent growers doing extraordinary things, with a particular soft spot for the talented winemakers of South West England and Wales.

We're drawn to wines with character, a sense of place and something interesting to say. Some are reassuringly classic, others a little more adventurous. All have earned their place because we think they're delicious.

Wine should be fun, not intimidating. We're happy to offer a recommendation, pour you a taste or leave you to explore.

For those skipping the alcohol, we've put just as much thought into our non-alcoholic wines and cocktails.

We're very pleased that the AA has recognised our efforts with a Notable Wine List Award for 2026/27. The real reward however is seeing an empty bottle on a table and a smile on someone's face.

Here's to good wine, good food and good company. Cheers!
