### INTRODUCTION

Our list has been developed to offer a balance of quality, value and interest. We have opted where possible for small artisan winemakers where quality and innovation are key, we have included notable names, and some home-grown award-winning wines and spirits from our region. We will only list wines we have tasted and liked and have included a short section of our current personal favourites in the "What We're Drinking" section on Page 6.

Our style of service is simple. We offer you a taste to check the condition of the wine, pour a glass for each diner and then leave it to you. Whilst most of us have a qualification in wine, we can't guarantee we know everything but will promise to either answer your questions or point you in the right direction.

We are delighted to have been awarded an AA Notable Wine List Award again for 2018 & 2019.

We hope you enjoy drinking from the list as much as we enjoy putting it together!

## COFFEE AND TEA

### COFFEE

Our filter coffee is supplied by Ethical Additions, a family company from Gloucestershire who are committed to buying direct from the farm. Their aim is to return a much larger proportion of the price to the farmer and fulfilling the beliefs that an ethical business does not have to compromise on quality, and doesn't have to be significantly more expensive for the consumer.

Latte	£4.00
Cappuccino	£4.00
Espresso	£4.00

### TEA

We source our loose leaf teas from the Bristol based Canton Tea Company. Founded in 2007, Canton Tea Co trade in high grade, whole leaf Chinese tea and have exclusive access to some of the best teas available. They were awarded six Golds at the 2009 Guild of Fine Food Great Taste Awards and their Jasmine Pearls won the top three star gold award, endorsing it as the best available in the UK – we're delighted to say this is one of our personal favourites too!
